Subj: COMMAND INVESTIGATION INTO THE FACTS AND CIRCUMSTANCES
SURROUNDING THE ALLEGED SUBSTANDARD PERFORMANCE AND
MISCONDUCT IN THE CASE OF MAJOR DANIEL R. HOUSINGER
1265089743/3002 USMCR

Ref: (c) IRAM

1. I reviewed the subject report and carefully considered the investigating officer's findings, opinions, and recommendations. Ultimately, I concur with (b)(6), (b)(7)c determination that, based on the totality of circumstances, Major Housinger's conduct between on or about 21 May 2020 and on or about 19 July 2020 did not meet the criteria for consideration of separation, substandard performance or misconduct.

2. However, Major Housinger demonstrated poor judgment and a lack of leadership, and he failed to set the proper example for Marines of Combat Logistics Battalion 25, when he failed to properly follow his unit's COVID-19 mitigation measures, to wit: by not signing a logbook upon entry to the home training center (HTC) on at least one occasion, by bringing a dependent to the HTC on at least two occasions, and by misinforming his leadership as to said guest visits, due, at best, to a lack of situational awareness.

3. Consequently, in order to better facilitate his professional development, I am directing: (a) that Major Housinger receive a written counseling, albeit not an official counseling per reference (c); (b) that his collateral duties be reassigned; and, (c) that he be assigned a mentor from within Combat Logistics Regiment 45 with whom he can engage regularly.

4. The point of contact for this investigation is (b)(6), (b)(7)c, USMC, at
